About Rent the Runway

Our mission is to power women to feel their best every day.

Since our founding in November 2009, we have built the world's first and largest shared designer closet with tens of thousands of styles by hundreds of brand partners. We give customers access to our "Unlimited Closet" through our subscription offering ("Subscription") or the ability to rent a-la-carte through our reserve offering ("Reserve"). We also give our subscribers and customers the ability to buy our products through our Resale offering. Our Closet in the Cloud offers a wide assortment of items for every occasion, from evening wear and accessories to ready-to-wear, workwear, denim, casual, maternity, outerwear, blouses, knitwear, loungewear, jewelry, handbags, activewear and ski wear. We have served approximately 3 million lifetime customers across all of our offerings and we had 171,998 Total Subscribers (active and paused) as of January 31, 2023. We had 126,712 Active Subscribers as of January 31, 2023 and 141,205 Active Subscribers as of April 8, 2023. In fiscal year 2022, 86% of our total revenue was generated by subscribers, compared to 84% in fiscal year 2021.

We have created a two-sided discovery engine: customers find new brands they love and brand partners find new customers they need. For customers, we unlock freedom of self-expression through access to our "Unlimited Closet" that has a constantly rotating supply of styles for all occasions, seasons, moods and price points. This leads to deep engagement with our platform as customers discover new brands they love. Brand partners are able to tap into our large, engaged community to discover new customers and get unparalleled data insights. All of this helps them grow their businesses and encourages them to partner more closely with us over time.

Environmental and Social Impact

We believe that shared access to fashion has the power to curb the negative environmental and social impacts that stem from excess in the fashion industry. Driving positive impact is core to our business model: allowing our customers to buy less and wear more. We have also developed an Impact Strategy that is intended to expand and deepen our positive impact while advancing and complementing our business strategy. See our Annual Report on Form 10-K for additional details.

Key Environmental Highlights

In 2021, we commissioned a Life Cycle Assessment¹, or LCA Study, to understand the environmental impact of our platform, which confirmed that renting from RTR results in net environmental savings compared to purchasing new clothing. We estimate, on a weighted average basis per rental garment, a net reduction of:

Percentage of savings are based on (a) the calculation of Individual environmental impact of each category as presented in a third-party life cycle assessment Rent the Runway commissioned, weighted by (b) the percentage of estimated total wears for each of the 12 categories studied as measured from 2010 through 2021.

- We estimate that our rental model has displaced the need for production of more than 1.4 million estimated new garments over the past decade.²
- As of January 31, 2023, RTR performed more than 5.2 million garment repairs to extend the useful life of our rental garments (1.1 million repairs in fiscal year 2022 alone), and diverted more than 1.2 million decommissioned rental items from going into a landfill via resale, donation, or recycling.
- RTR launched our patented garment bag in 2014, setting a new standard for reusable packaging. Since then, we have launched a second generation durable garment bag and have begun removing

¹ We commissioned a first of its kind study in the U.S. with Green Story and SgT, third-party consultants specializing in apparel Life Cycle Assessments, to further understand the impact of RTR's rental platform compared to existing linear models in the fashion industry.

² Displacement was calculated by taking the displacement rate for each product category then multiplying by the estimated number of units across all product categories from February 1, 2022 through January 31, 2023. Displacement rates are from our 2021 Life Cycle Assessment and calculated by $(\text{Rental Wears} - \text{Linear Wears}) / \text{Linear Wears}$, where "Rental Wears" is an estimate of the total amount of wears of our garments and "Linear Wears" is an estimate of how many garments would have been bought and worn in the traditional manner (which is not a rental model), had the Rental Wears not taken place. Environmental savings are based on results of the LCA Study and specifically the net upstream production impact across 12 product categories assessed in the LCA Study: blouses, sweaters, skirts, jeans, pants, jumpsuits, daytime dresses, maxi dresses, gowns, cocktail dresses, jackets, and coats. These categories represented approximately 85% of our 2019 product assortment. Examples of categories not included in our calculations include accessories and home goods. These savings calculations reflect the difference between the rental model and the full environmental cost of purchasing under the linear model.

unnecessary plastic from our shipments to customers. Our new garment bags are made from recycled material and do not require wet cleaning, reducing our water usage. They were designed to be more durable and last longer, which means we expect to manufacture fewer of them and, in turn, believe that we can reduce the carbon footprint associated with their production.

- In fiscal year 2022:
 - We began offsetting all carbon emissions from shipping packages to and from customers.
 - We expanded our at-home pickup offering, which we believe can reduce the overall carbon emissions associated with our customer returns, as it consolidates the return process.
 - We made enhancements to our cleaning processes that result in less wear and tear on our garments and reduce our use of water and cleaning solutions as compared to prior years.

Key Social Highlights

- RTR equalized leave benefits across all full-time hourly and salaried U.S. employees on our corporate, customer experience, and warehouse teams in 2018, including parental leave, family paid sick leave, bereavement leave, and sabbatical benefits.
- In fiscal year 2022, we estimate that we spent \$1.76 million with Black designers and a total of \$7.5 million with racial and ethnic minority designers. We estimate that we have invested more than \$4.9 million in rental product purchases to support Black-owned businesses since June 2020. We continue to prioritize identifying new Black designers as well as deepen relationships with our existing Black designers.
- We estimate that we increased the penetration of racial and ethnic minority designers featured on our platform from 4% of brands in the fall of 2020 to 15% in the fall of 2022.

Can I ask questions at the Annual Meeting?

In order to ensure stockholders are afforded the same rights and opportunities to participate in the Annual Meeting as an in-person meeting, we will hold a live Q&A session, during which we intend to answer questions submitted online during the meeting that are pertinent to the Company and the meeting matters.

Only stockholders of record as of the record date for the Annual Meeting and their proxy holders who have logged in using a 16-digit control number may submit questions or comments.

You will be able to ask questions by joining the virtual Annual Meeting at www.virtualshareholdermeeting.com/RENT2023 and typing your question in the box in the Annual Meeting portal.

To help ensure that we have a productive and efficient meeting, and in fairness to all stockholders in attendance, you will also find posted our rules of conduct for the Annual Meeting when you log in prior to its start. In accordance with the rules of conduct, we ask that you limit your remarks to one brief question or comment that is relevant to the Annual Meeting or Rent the Runway's business and that remarks are respectful of your fellow stockholders and meeting participants. Questions may be grouped by topic by Rent the Runway's management with a representative question read aloud and answered. In addition, questions may be deemed to be out of order if they are, among other things, irrelevant to our business, repetitious of statements already made, or in furtherance of the speaker's own personal, political, or business interests. Questions will be addressed in the Q&A portion of the Annual Meeting.

What if I need technical assistance accessing or participating in the virtual Annual Meeting?

If you encounter any difficulties accessing the virtual Annual Meeting during the check-in or meeting time, please call the technical support number that will be posted on the virtual Annual Meeting log in page. Technical support will be available starting at 8:30 a.m. Eastern Time on July 12, 2023.

What if I lose my 16-digit control number?

If you lose your 16-digit control number, you may join the Annual Meeting as a "Guest" but you will not be able to vote, ask questions, or access the list of stockholders as of the record date.

What is the deadline for voting?

If you are a stockholder of record, your ability to vote by proxy by internet or telephone will end at 11:59 p.m. Eastern Time on July 11, 2023. If you prefer to vote by mail, you should complete and return the proxy card as soon as possible, so that it is received no later than the closing of the polls at the Annual Meeting on July 12, 2023. You will also be able to vote by attending and voting at the virtual Annual Meeting on July 12, 2023. However, we recommend that you submit your proxy in advance in the event your plans change or you are unable to attend the Annual Meeting.

If your Rent the Runway shares are held in an account with a broker, bank, trustee, or nominee, you should vote in accordance with the instructions from your broker, bank, trustee, or nominee.

What happens if I do not vote?

If you are a stockholder of record and do not vote by completing your proxy card, by telephone, through the internet, or online during the meeting, your shares will not be voted.

If your Rent the Runway shares are held in an account with a broker or other nominee, and you do not instruct your broker or other nominee how to vote your shares, your broker or other nominee may still be able to vote your shares in its discretion. In this regard, brokers and other securities intermediaries may use their discretion to vote your "uninstructed" shares with respect to matters considered under applicable exchange rules to be "routine," but not with respect to "non-routine" matters. Proposal No. 1 (Election of Directors) is considered to be "non-routine" under applicable exchange rules, meaning that your broker may not vote your shares on this proposal in the absence of your voting instructions, which would result in a "broker non-vote." Proposal No. 2 (Ratification of

Auditors), however, is considered to be a “routine” matter, meaning that if you do not return voting instructions to your broker by its deadline, your shares may be voted by your broker in its discretion on Proposal No. 2. See “How many votes are required to approve each proposal?” below for more information. Please instruct your broker, bank, trustee, or nominee to ensure that your vote will be counted.

What is a “vote withheld” and an “abstention” and how will votes withheld and abstentions be treated?

A “vote withheld,” in the case of the proposal regarding the election of directors, or an “abstention,” in the case of the proposal regarding the ratification of the appointment of our auditors, represents a stockholder’s affirmative choice to decline to vote on a proposal. Votes withheld and abstentions are counted as present and entitled to vote for purposes of determining a quorum. Votes withheld have no effect on the election of directors. Abstentions have no effect on the ratification of the appointment of our auditors.

What if I return a proxy card but do not make specific choices?

If you submit a properly signed proxy card but do not provide any voting instructions, the persons named as proxies will vote in accordance with the recommendations of the Board, which are indicated above and with each proposal in this proxy statement. We know of no other business that will be presented at the Annual Meeting. However, if any other matter is properly presented at the meeting, the persons named as proxies will vote your shares using his or her best judgment.

Can I change my vote or revoke my proxy?

Yes. If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you may change your vote or revoke your proxy at any time prior to the final vote at the virtual Annual Meeting on July 12, 2023 by:

- providing a new proxy bearing a later date (which automatically revokes the earlier proxy) by internet, telephone, or mail (and until the applicable deadline for each method);
- by submitting written notice of revocation to the Secretary of the Company prior to the Annual Meeting; or
- attending and voting at the virtual Annual Meeting.

Your most recent proxy submitted by proxy card, internet, or telephone is the one that will count. Your attendance at the virtual Annual Meeting by itself will not revoke your proxy if you do not also vote at the virtual Annual Meeting.

If you hold shares in an account with a broker, bank, trustee, or nominee, you may change your vote by submitting new voting instructions to your broker, bank, trustee, or nominee in accordance with the instructions they provide to you. If you have obtained a valid proxy from your broker, bank, trustee, or nominee giving you the right to vote your shares, you may change your vote by attending the virtual Annual Meeting and voting.

How many votes are required to approve each proposal?

Proposal	Vote Required for Approval	Effect of Abstentions	Effect of Broker Non-Votes*
1. Election of Directors	Each director is elected by a plurality of the votes cast. The four director nominees receiving the highest number of "FOR" votes will be elected.	Not applicable	No effect. Brokers may not vote the shares if not instructed by the proxyholder, as this matter is considered "non-routine"
2. Ratification of Auditors	Decided by a majority of the votes cast. This proposal will be approved if the number of votes cast "FOR" the proposal exceeds the number of votes cast "AGAINST" the proposal.	No effect	No effect. Brokers may vote the shares if not instructed by the proxyholder, as this matter is considered "routine"

*A "broker non-vote" occurs when a beneficial owner of shares held by a broker or nominee does not give voting instructions to his or her broker or other securities intermediary as to how to vote on matters deemed to be "non-routine" and, as a result, the broker, bank, or other securities intermediary may not vote the shares on those matters. As discussed above, this would be the case for Proposal No. 1, which is considered a "non-routine" matter. Therefore, we would expect broker non-votes to result from this proposal. We urge you to provide instructions so that your shares held in a stock brokerage account or by a bank or other record holder may be voted.

Who will count the votes?

A representative of Broadridge Financial Services, Inc. will tabulate the votes and act as inspector of election.

What is a quorum?

A quorum is the minimum number of shares required to be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, electronically or by proxy, of the holders of a majority in voting power of common stock issued and outstanding and entitled to vote on the record date will constitute a quorum. If a quorum is not present, we will not be able to conduct any business, and the Annual Meeting will be adjourned, or rescheduled, by the chairperson of the meeting for a later date.

Instructions to "withhold" authority to vote in the election of directors, abstentions, and broker non-votes will be counted as present for determining whether or not a quorum is present.

Where can I find the voting results of the Annual Meeting?

We plan to announce preliminary voting results at the Annual Meeting and will report the final voting results in a current report on Form 8-K within four business days of the Annual Meeting.

Who pays for the proxy solicitation expenses?

We are soliciting proxies on behalf of our Board and will pay the related costs. As part of this process, we reimburse brokers and other custodians, nominees, and fiduciaries for their out-of-pocket expenses for forwarding proxy materials to our stockholders. Our directors, officers, and employees may also solicit proxies in person, by telephone, or by other means of communication, and will not receive any additional compensation for soliciting proxies.

What does it mean if I receive more than one set of materials?

If you receive more than one set of materials, it means you hold your shares in more than one name or account. In order to vote all of your shares, you should sign and return all of the proxy cards you receive or follow the instructions for any alternative voting procedures on the proxy cards or the Internet Notices you receive.

How do I obtain a separate set of proxy materials or request a single set for my household?

We have adopted a practice approved by the SEC called “householding.” This means that stockholders who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one copy of our annual report and proxy statement unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. This procedure reduces printing costs, postage fees, and the environmental impact. Each stockholder who participates in householding will continue to be able to access or receive a separate proxy card.

If you prefer to receive a separate set of proxy materials or if you currently receive multiple copies and would like to request “householding” of your communications, please contact Broadridge by phone at 1 (866) 540-7095 or by mail to Broadridge, Householding Department, 51 Mercedes Way, Edgewood, New York 11717. If any stockholders in your household would like to receive a separate annual report or proxy statement, please send an email to investors@renttherunway.com. We will strive to promptly address your request.

Proposal No. 1

Election of Directors

Our Board of Directors currently consists of 11 directors, who are divided into three classes with staggered three-year terms. At the Annual Meeting, four Class II directors are standing for election, each for a three-year term. The terms of office of directors in Class I and Class III do not expire until the annual meetings of stockholders to be held in 2025 and 2024, respectively.

The Board has nominated Scott Friend, Melanie Harris, Dan Nova, and Mike Roth for election as Class II directors at the Annual Meeting.

Each director is elected by a plurality of the votes cast. The four director nominees receiving the highest number of "FOR" votes will be elected. If elected at the Annual Meeting, the nominees will serve until our 2026 annual meeting of stockholders and until their successors have been elected and qualified or until they resign, die, or are removed from the Board of Directors.

In connection with the initial public offering ("IPO") of our Class A common stock in October 2021, we entered into a Stockholders Agreement (the "Stockholders Agreement") between the Company and certain stockholders of the Company, including (i) the Founder (as defined below), (ii) the Bain Capital Ventures Entities (as defined below); and (iii) the Highland Entities (as defined below). As a result of the Stockholders Agreement and the aggregate voting power of the parties to the agreement, we expect that the parties to the agreement acting in conjunction will control the election of directors at RTR. For more information, see "The Board and Corporate Governance—Stockholders Agreement."

The nominees have consented to serve as director, if elected. We have no reason to believe that any of the nominees will be unable or unwilling to serve as director. If, however, a nominee is unavailable for election, your proxy authorizes us to vote for a replacement nominee if the Board names one.

The Board of Directors recommends a vote "FOR" each of the director nominees named above.

The Board and Corporate Governance

Board Leadership Structure

Jennifer Hyman is the chair of our Board of Directors and Scott Friend serves as our lead independent director. Our Board of Directors believes that our current leadership structure provides us with effective leadership and is in the best interest of us and our stockholders. Ms. Hyman co-founded and has led our company since its inception. Her strategic vision and in-depth knowledge of our operations, opportunities, and challenges makes her well qualified to serve as both Chair and CEO. In addition, having a lead independent director strengthens the Board's independence and oversight of our business.

As lead independent director, Mr. Friend's responsibilities include:

- presiding at all meetings of the Board at which the Chair is not present, including over executive sessions of the independent directors;
- working with management to set board meeting schedules and agendas;
- leading the board evaluation process with the Nominating and ESG Committee; and
- acting as the liaison between the independent directors and the chair of our Board of Directors.

Our corporate governance guidelines provide the flexibility for our Board to modify our leadership structure in the future in a manner that it believes is in the best interest of the Company. The Board will continue to evaluate our leadership structure periodically and make changes in the future as it deems appropriate.

Board Diversity

Our Nominating and ESG Committee is responsible for reviewing with the Board the appropriate characteristics, skills, and experience required for the Board of Directors as a whole and its individual members. As of the date of this proxy statement, 55% of the members of our Board of Directors identify as women. In its evaluation of director candidates, our Nominating and ESG Committee considers diversity factors such as gender, race, ethnicity, experience, and area of expertise, as well as other individual qualities and attributes that contribute to the total diversity of viewpoints and experience represented on the Board. The Board also considers other factors, including issues of character, integrity, judgment, potential conflicts of interest, and other commitments, as described below.

Board Oversight of Risk

Our Board of Directors is responsible for overseeing our risk management process. The Board focuses on our general risk management strategy, the most significant risks facing us, and oversees the implementation of risk mitigation strategies by management. The Board administers its oversight function directly as a whole and through its standing committees that address risks inherent in their respective areas of oversight. For example, our Audit Committee reviews matters that could have a significant impact on our financial statements. Our Compensation Committee is responsible for overseeing risks relating to our compensation plans, policies, and practices. Our Nominating and ESG Committee is responsible for overseeing risks related to certain corporate governance practices and overseeing our ESG strategy and progress.

Director Independence

Our Board of Directors assesses the independence of each director at least annually and has determined that, other than Jennifer Hyman, all current directors and director nominees are independent in accordance with Nasdaq listing standards and the applicable rules and regulations of the SEC. Ms. Hyman is not considered independent because she is an employee.

In addition, our Board has determined that each member of our Audit Committee, Compensation Committee, and Nominating and ESG Committee is independent and, in the case of the Audit Committee and Compensation Committee, meets the heightened independence requirements applicable to each such Committee in accordance with the listing standards of Nasdaq and the applicable rules and regulations of the SEC. In addition, our former director, Dan Rosensweig, was also determined to be independent while he served on our Board of Directors.

Board Meetings

Our Board met eight times during fiscal year 2022. Each current director attended at least 75% of the total number of fiscal year 2022 meetings of the Board and of each Committee on which he or she served, which were held during the period in which that director served, except for Ms. Paltrow. We encourage all directors and director nominees to attend the Annual Meeting; however, attendance is not mandatory. All but one of our incumbent directors attended our 2022 Annual Meeting of Stockholders.

Our Board has the following standing committees: the Audit Committee, the Compensation Committee, and the Nominating and ESG Committee. Director Nomination Process

The Nominating and ESG Committee and/or the Board is responsible for identifying and reviewing the qualifications of potential director candidates and recommending to the Board those candidates to be nominated for election to the Board, subject to any obligations and procedures governing the designation of directors to the Board that are included in the Stockholders Agreement.

Identifying and Evaluating Nominees

When identifying and evaluating potential director nominees, including current members of the Board who are eligible for re-election, the Nominating and ESG Committee seeks a balance of knowledge, experience, and capability on the Board and may consider the following:

- experience in corporate management, such as serving as an officer or former officer of a publicly held company;
- personal and professional integrity;
- experience as a board member of another publicly held company;
- professional and academic experience relevant to our industry, operations, and target markets;
- ability to exercise mature business judgment, including, but not limited to, the ability to make independent analytical inquiries;
- leadership skills;
- experience in finance and accounting and/or executive compensation practices;
- sufficiency of time for preparation, participation, and attendance at Board meetings and committee meetings; and
- diversity of background and perspective, including, with respect to age, gender, race, and geographic background as well as diversity of expertise and experience in substantive matters pertaining to our business relative to other Board members.

To facilitate the search process for director candidates, the Nominating and ESG Committee may solicit our current directors and executives for the names of potentially qualified candidates or may ask directors and executives to pursue their own business contacts for the names of potentially qualified candidates. The Nominating and ESG Committee may also consult with outside advisors or retain search firms to assist in the search for qualified candidates, or consider director candidates recommended by our stockholders. Once

potential candidates are identified, the Nominating and ESG Committee reviews the backgrounds of those candidates, evaluates candidates' independence from us and potential conflicts of interest, and determines if candidates meet the qualifications desired by the Nominating and ESG Committee of candidates for election as director.

Stockholder Recommendations and Nominees

The Nominating and ESG Committee and/or the Board will consider stockholder recommendations, so long as they comply with applicable law, our Bylaws, and the procedures described below. Stockholder recommendations for candidates to the Board must be received in writing and emailed to corporatesecretary@renttherunway.com or sent to our headquarters, Rent the Runway, Inc., 10 Jay Street, Brooklyn, NY 11201, to the attention of our General Counsel and Secretary. The recommendation must be received sufficiently in advance of our consideration of our director nominees for the next annual meeting and must include the candidate's name, home and business contact information, detailed biographical data and qualifications, information regarding any relationships between the candidate and RTR within the last three years, and evidence of the recommending person's ownership of RTR stock. Recommendations must also include a statement from the recommending stockholder in support of the candidate that addresses the criteria for Board membership, personal references, and the consent of the candidate to serve.

The Nominating and ESG Committee and/or the Board will review the qualifications of any candidate recommended by stockholders in accordance with the criteria described above. In addition, in the Nominating and ESG Committee's and/or the Board's discretion, its review may include interviewing references, performing background checks, direct interviews with the candidate, or other actions it deems necessary or proper.

Stockholders may also nominate candidates for election to our Board by following the procedures described in "Additional Information – Stockholder Proposals" below.

Non-Employee Director Compensation

In October 2021, we adopted a formal non-employee director compensation program upon the completion of our IPO. Pursuant to this program, each non-employee director receives a mixture of equity and cash compensation.

Equity Compensation

Under our director compensation program, each year, on the date of our Annual Meeting, each incumbent non-employee director will receive an RSU award with a value at the time of grant equal to approximately \$165,000 (calculated based on the average per share closing price of our Class A common stock over the most recent 30 trading days as of and including the date of grant). In 2022, this award was reduced by 50%, resulting in an annual award of 12,489 RSUs. In 2023, the Board has determined that each eligible director shall receive 29,516 RSUs following the 2023 Annual Meeting of Stockholders. These awards vest in full on the earlier of (i) the next occurring Annual Meeting of Stockholders or (ii) the first anniversary of the grant date, subject to the non-employee director's continued service through the applicable vesting date.

Upon a change in control, all outstanding equity awards granted under the program will vest in full.

Cash Compensation

Each non-employee director is eligible to receive an annual cash retainer of \$40,000 that will be paid quarterly in arrears. Non-employee directors may elect to receive all or a portion of their annual cash retainer in equity.

Non-employee directors also were entitled to receive the following cash compensation for their Board leadership and committee service:

Board Leadership

Lead Independent Director: \$15,000

Committee Service

	Chair	Non-Chair
Audit Committee Member	\$20,000	\$10,000
Compensation Committee Member	\$13,000	\$6,500
Nominating & ESG Committee Member	\$8,000	\$4,000

In July 2022, the Board determined that in light of the directors' existing equity holdings and in order to preserve the company's equity reserves, it was appropriate to temporarily amend the director compensation program for the remainder of fiscal 2022 by: reducing the amount of cash fees and RSUs granted under the program by 50%, providing that the annual RSU award to be granted on the date of the 2022 annual meeting of stockholders would be determined using a price of \$5.59 rather than the 30 day trailing average trading price and revoking any elections made by non-employee directors to receive RSUs in lieu of cash. For fiscal year 2023, the Board has reinstated the program's original cash fees for Board and Committee Chair services; eliminated cash fees for Committee service; and determined that each eligible director shall receive 29,516 RSUs as an annual award on the date of the 2023 Annual Meeting of Stockholders.

Beginning in fiscal year 2023, Mr. Friend and Mr. Nova have agreed to waive their director compensation fees under this program.

Audit Committee Report

Rent the Runway's Audit Committee is composed entirely of independent directors who meet the independence requirements of the Listing Rules of the Nasdaq Stock Market and the SEC. The Audit Committee operates pursuant to a charter that is available on our investor website (investors.renttherunway.com).

As described above in more detail, the principal purpose of the Audit Committee is to assist the Board of Directors in its oversight of our accounting practices, system of internal controls, audit processes, and financial reporting processes. The Audit Committee is responsible for appointing and retaining our independent auditor and approving the audit and non-audit services to be provided by the independent auditor. The Audit Committee's function is more fully described in its charter.

Management is responsible for preparing our financial statements and ensuring they are complete and accurate and prepared in accordance with generally accepted accounting principles. PricewaterhouseCoopers LLP ("PwC"), our independent registered public accounting firm, is responsible for performing an independent audit of our Consolidated Financial Statements and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

In performing its responsibilities, the Audit Committee has:

- reviewed and discussed with management our audited financial statements for the fiscal year ended January 31, 2023;
- discussed with our independent registered public accounting firm, PwC, the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (the "PCAOB"); and

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended January 31, 2023.

Proposal No. 2

Ratification of the Appointment of Independent Registered Public Accounting Firm

The Audit Committee has appointed PwC as our independent registered public accounting firm for fiscal year 2023 and recommends that stockholders vote to ratify the appointment. Although we are not required by law to obtain such ratification from our stockholders, we believe it is good practice to do so. If our stockholders do not ratify the appointment of PwC, the Audit Committee may reconsider its appointment. The Audit Committee, in its discretion, may appoint a new independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of RTR and our stockholders.

PwC has audited our consolidated financial statements since 2020. A representative of PwC will be present at our Annual Meeting to respond to appropriate questions and to make a statement if they so desire.

This proposal is decided by a majority of the votes cast. This proposal will be approved if the number of votes cast "FOR" the proposal exceeds the number of votes cast "AGAINST" the proposal.

Elements of Our Executive Compensation Program

For the fiscal year ended January 31, 2023, the compensation for our named executive officers generally consisted of a base salary, annual cash incentive bonuses, and long-term equity incentive compensation in the form of restricted stock units. These elements (and the amounts of compensation and benefits under each element) were selected because we believe they are necessary to help us attract and retain executive talent which is fundamental to our success.

Below is a more detailed summary of our executive compensation program as it relates to our named executive officers.

Base Salaries

Our named executive officers receive a base salary to compensate them for the services they provide to our company. The base salary payable to each named executive officer is intended to provide a fixed component of compensation reflecting the executive's skill set, experience, role, and responsibilities.

Ms. Hyman's base salary is \$650,000, Ms. Salinas' base salary is \$600,000, and Mr. Steinberg's base salary is \$500,000 (which was increased from \$475,000 in September 2022). The actual salaries paid to each named executive officer are set forth in the "Summary Compensation Table" above, in the column titled "Salary."

Annual Cash Incentive Bonus Compensation

Under our fiscal year 2022 bonus program, our Compensation Committee determined that each of our named executive officers would be eligible to receive a cash performance bonus with the following payout opportunities: Ms. Hyman had a target opportunity of 100% of her base salary and a maximum opportunity of 175% of her base salary; Ms. Salinas had a target opportunity of 40% of her base salary and a maximum opportunity of 175% of target; and Mr. Steinberg had a target opportunity of 30% of his base salary and a maximum opportunity of 175% of target.

For 2022, bonus payouts for Ms. Hyman and Ms. Salinas were based upon the satisfaction of company-wide net revenue, free cash flow, and Adjusted EBITDA goals. Mr. Steinberg's bonus was based 50% upon the satisfaction of company-wide net revenue, free cash flow, and Adjusted EBITDA goals and 50% upon the satisfaction of certain individual goals. The actual bonus payouts were 126.4% of target for Ms. Hyman and Ms. Salinas based on the level of achievement of the company-wide performance metrics as determined by our Compensation Committee and the actual bonus payout was 113.2% of target for Mr. Steinberg based on the level of achievement of the company-wide performance metrics and individual performance goals as determined by our Compensation Committee. The actual bonus amounts paid to each named executive officer for fiscal year 2022 are set forth in the "Summary Compensation Table" above, in the column titled "Non-Equity Incentive Plan Compensation."

Pursuant to our fiscal year 2023 bonus program, our Compensation Committee determined that each of our named executive officers will be eligible to receive a cash performance bonus based on the achievement of certain company-wide performance metrics as follows (which were unchanged from their fiscal year 2022 bonus program opportunities): Ms. Hyman has a target opportunity of 100% of her base salary; Ms. Salinas has a target opportunity of 40% of her base salary, and Mr. Steinberg has a target opportunity of 30% of his base salary. Mr. Steinberg's fiscal year 2023 bonus is based 50% on the achievement of certain company-wide metrics and 50% based on the achievement of certain individual goals. Actual payouts may range from 0% to 175% of target for each named executive officer.

Pursuant to the CEO Agreement, Ms. Hyman is entitled to an initial annual base salary of \$650,000. With respect to fiscal year 2022, Ms. Hyman's target annual bonus was 100% of her base salary, with a minimum opportunity of 0% and maximum opportunity of 150% of her annual base salary. In addition, pursuant to the CEO Agreement, Ms. Hyman is eligible to receive data security consulting benefits, including an assessment of Ms. Hyman's personal security considerations in connection with her position with us (following which the Compensation Committee will determine any reasonable security enhancements to be adopted after its review of such assessment). In May 2022, the CEO Agreement was amended to provide that, with respect to fiscal year 2022 and thereafter, Ms. Hyman is eligible to receive an annual performance-based cash bonus with a target bonus opportunity of 100% of her base salary.

The CEO Agreement also provides that any outstanding equity awards held by Ms. Hyman would accelerate and vest in full upon the occurrence of a "change of control" (as defined in the CEO Agreement); provided, that, to the extent any such equity awards were assumed or substituted by an acquirer or successor, such awards would accelerate and vest upon the earlier of (x) the time provided for in the applicable award agreement or the equity plan, (y) the one-year anniversary of such change of control, subject to Ms. Hyman's continued employment through such date, and (z) the date of Ms. Hyman's termination of employment by the Company without "cause," by Ms. Hyman for "good reason," or due to Ms. Hyman's death or "disability" (each as defined in the CEO Agreement).

Pursuant to the CEO Agreement, if Ms. Hyman's employment is terminated by us without "cause" or by Ms. Hyman for "good reason" (each as defined in the CEO Agreement), whether outside or within the 24-month period

following a change of control, then, subject to her timely execution and non-revocation of a release of claims and continued compliance with the applicable restrictive covenants, she will be entitled to, in addition to accrued amounts: (i) a cash amount equal to two times the sum of (x) her then-current annual base salary and (y) the greater of (1) the bonus that Ms. Hyman would have earned had she remained employed for the full year in which termination occurs, based on actual achievement and (2) her target annual bonus for the fiscal year in which the date of termination occurs; (ii) continued group health coverage for a period of up to 18 months following termination, and (iii) an extended post-termination option exercise period in accordance with the terms of the CEO Agreement. Ms. Hyman will continue to receive the same severance benefits in the event of a termination due to death or disability. Additionally, in the event a termination of employment other than for a termination for cause or a resignation that is not for good reason occurs prior to or upon the change of control, the vesting of Ms. Hyman's outstanding equity awards will accelerate in full.

The restrictive covenants described above will continue to apply under the CEO Agreement. The CEO Agreement also provides for a Section 280G "best net" cutback.

Anushka Salinas

On January 20, 2017, we entered into an offer letter with Ms. Salinas to employ her as our General Manager of Subscription, though she currently serves as our President and Chief Operating Officer, or the COO Offer Letter. The COO Offer Letter provided for an initial annual base salary of \$400,000, which base salary was subsequently increased to \$600,000. The COO Offer Letter also provided for Ms. Salinas' initial stock option grant as well as for additional stock option grants Ms. Salinas would be eligible to receive in 2018 and 2019 in the event she achieved certain goals.

In addition to the COO Offer Letter, Ms. Salinas entered into the Company's Invention and Non-Disclosure Agreement as well as Non-Competition and Non-Solicitation Agreement in connection with her employment, which provides that she will be subject to 12-month post-termination non-competition and non-solicitation of customers and employees covenants, as well as perpetual non-disparagement covenants.

Larry Steinberg

On June 26, 2022, we entered into an offer letter with Mr. Steinberg to employ him as our Chief Technology Officer, or the CTO Offer Letter. The CTO Offer Letter provided for an initial annual base salary of \$475,000, which was subsequently increased to \$500,000 in September 2022. The CTO Offer Letter also provided for Mr. Steinberg's initial RSU grants.

In addition to the CTO Offer Letter, Mr. Steinberg entered into the Company's Invention and Non-Disclosure Agreement as well as Non-Competition and Non-Solicitation Agreement in connection with his employment, which provides that he will be subject to 12-month post-termination non-competition and non-solicitation of customers and employees covenants, as well as perpetual non-disparagement covenants.

Executive Severance Plan

We have adopted an Executive Severance Plan, or the Severance Plan, pursuant to which senior employees (including our named executive officers other than Ms. Hyman) are eligible to participate. The Severance Plan provides for the payment of certain severance and other benefits to participants according to their position in the event of a qualifying termination of employment with us.

Under the Severance Plan, in the event of a termination of Ms. Salinas' employment by us without "cause" (as defined in her offer letter) or by Ms. Salinas for "good reason" (as defined in the Severance Plan), she will be eligible to receive the following benefits:

- a cash payment equal to 1.25x her then-current base salary as she has been employed with us for more than five years, payable in installments over a period of time equal to her severance multiple;
- a lump-sum cash payment equal to the cash bonus with respect to the fiscal year in which her termination of employment occurs, based on actual achievement of any applicable company performance goals or objectives and any applicable individual performance goals or objectives, prorated for the number of days Ms. Salinas was employed during that fiscal year; and
- company-paid COBRA premium payments for up to 15 months.

In the event of a termination of Ms. Salinas' employment by us without "cause" or by Ms. Salinas for "good reason" during the period beginning three months before and ending on the 12-month anniversary of a "change in control" (as defined in the Severance Plan), she will be eligible to receive the following benefits:

- a lump sum cash payment equal to 1.25x of her then-current annual base salary;
- a lump sum cash payment equal to 1.25x the greater of (1) the bonus that she would have earned had she remained employed for the full year in which termination occurs, based on actual achievement and (2) her target annual bonus for the fiscal year in which the date of termination occurs;
- company-paid COBRA premium payments for up to 15 months; and
- accelerated vesting of all equity awards which vest based solely on continued service with us or the passage of time, with awards that vest based on the achievement of performance objectives or conditions eligible to vest based on the applicable award agreement.

Under the Severance Plan, in the event of a termination of Mr. Steinberg's employment by us without "cause" (as defined in the Severance Plan) or by him for "good reason" (as defined in the Severance Plan), he will be eligible to receive the following benefits:

- a cash payment equal to 0.5x Mr. Steinberg's then-current base salary because he has been employed with us for less than five years, payable in installments over a period of years or partial years equal to his severance multiple;
- a lump-sum cash payment equal to the cash bonus with respect to the fiscal year in which such named executive officer's termination of employment occurs, based on actual achievement of any applicable company performance goals or objectives and any applicable individual performance goals or objectives, prorated for the number of days the named executive officer was employed during that fiscal year; and
- company-paid COBRA premium payments for up to 6 months.

In the event of a termination of Mr. Steinberg's employment by us without "cause" or by him for "good reason" during the period beginning three months before and ending on the 12-month anniversary of a "change in control" (as defined in the Severance Plan), he will be eligible to receive the following benefits:

- a lump sum cash payment equal to 1.0x Mr. Steinberg's then-current annual base salary;
- a lump sum cash payment equal to 1.0x the greater of (1) the bonus that he would have earned had he remained employed for the full year in which termination occurs, based on actual achievement and (2) his target annual bonus for the fiscal year in which the date of termination occurs;
- company-paid COBRA premium payments for up to 12 months; and
- accelerated vesting of all equity awards which vest based solely on his continued service with us or the passage of time, with awards that vest based on the achievement of performance objectives or conditions eligible to vest based on the applicable award agreement.

In the event that Ms. Salinas or Mr. Steinberg provides at least three months' advance notice of their intent to resign without good reason, such named executive officer will be entitled to an additional fiscal quarter of acceleration of the named executive officer's outstanding equity awards subject to the passage of time.

Any named executive officer's right to receive the severance payments and benefits described above is subject to their delivery and, as applicable, non-revocation of a general release of claims in our favor, and their continued compliance with any applicable restrictive covenants.

In addition, in the event that any payment under the Severance Plan, together with any other amounts paid to the participant by us, would subject such participant to an excise tax under Section 4999 of the Internal Revenue Code, such payments will be reduced to the extent that such reduction would produce a better net after-tax result for the named executive officer.

Investors' Rights Agreement

Following our IPO, certain holders of our common stock are entitled to rights with respect to the registration of their shares under the Securities Act. These registration rights are contained in the Eighth Amended and Restated Investors' Rights Agreement, as amended, or the Investors' Rights Agreement, which we are a party to, along with certain holders of our capital stock, including our Chief Executive Officer and director, Jennifer Y. Hyman; our director Jennifer Fleiss; entities affiliated with Bain Capital Ventures, a holder of greater than 5% of our outstanding capital stock and affiliate of our director, Scott Friend; entities affiliated with Highland Capital Partners, a holder of greater than 5% of our outstanding capital stock and affiliate of our director, Dan Nova; and entities affiliated with Technology Crossover Ventures, a holder of greater than 5% of our outstanding capital stock. Stockholders Agreement

For a description of our Stockholders Agreement, see "The Board and Corporate Governance – Stockholders Agreement" above.

Other Transactions

Our Vice President of Customer Experience, or VP CX, is the sister of Jennifer Y. Hyman, our Co-Founder, Chief Executive Officer, and Chair and is currently employed by us. She does not share a household with Ms. Hyman and is not one of our executive officers. During fiscal years 2022 and 2023 (as of April 1, 2023), the VP CX had a base salary of \$310,000. The VP CX was granted 37,567 RSUs in fiscal year 2022 and 50,000 RSUs in fiscal year 2023 (to date). The VP CX is eligible to receive an incentive cash bonus for fiscal year 2023 based upon the achievement of certain company and individual metrics.

The compensation described above was based on reference to external market practice of similar positions or internal pay equity when compared to the compensation paid to employees in similar positions that were not related to our executive officers. The VP CX is also eligible to participate in employee benefit plans and receive future incentive equity awards on the same general terms and conditions as applicable to other employees in similar positions who were not related to our executive officers.

Indemnification Agreements

Our Amended and Restated Certificate of Incorporation (the "Amended Charter") contains provisions limiting the liability of directors to the fullest extent permitted under Delaware law, and our Amended and Restated Bylaws (the "Amended Bylaws") provide that we will indemnify each of our directors and officers to the fullest extent permitted under Delaware law. Our Amended Charter and Amended Bylaws also provide our Board with discretion to indemnify our employees and other agents when determined appropriate by the Board. In addition, we have entered into an indemnification agreement with each of our directors and executive officers, which requires us to indemnify them in certain circumstances.

Policies and Procedures for Related Person Transactions

Our Audit Committee has the primary responsibility for the review, approval, and oversight of "related person transactions," as defined under the rules and regulations of the Securities Exchange Act of 1934, as amended. The Audit Committee has adopted a written related person transaction policy, which requires that any related person transaction (as defined in the policy) must be presented to our Audit Committee for review, consideration, and approval. When considering proposed related person transactions, the Audit Committee will take into account the relevant facts and circumstances, including, among other things, the material terms and conditions, the basis for which the individual or entity is a related person, the related person's interest in the transaction, the approximate dollar value of the transaction, whether the transaction is in the ordinary course, the business purpose for entering into the transaction with a related person versus an unrelated third party, whether the transaction is proposed to be or was entered into on terms no less favorable to RTR than terms that could have been reached with an unrelated third party, and any other material information. The Audit Committee will then approve or disapprove such transaction. In the event a related person transaction relates to compensation of employees, such transaction shall be reviewed, approved and/or ratified by the Compensation Committee of the Board.

In addition, our Code of Conduct (available on our website at investors.renttherunway.com) provides that directors, executive officers, and employees should avoid conflicts of interest or even the appearance of a conflict of interest. Under the Code of Conduct, a conflict of interest occurs when personal interests, activities, investments, or associations interfere in any way, or even appear to interfere, with our interests as a company.

We have multiple processes for identifying related person transactions and conflicts of interest. Under our Related Person Transaction Policy, each director, director nominee, and executive officer is responsible for identifying potential related person transactions and conflicts of interest. We also annually distribute a questionnaire to directors and executive officers requesting certain information regarding, among other things, their immediate family members and employment and beneficial ownership interests in Rent the Runway. We then review this information for any related person transactions and conflicts of interest.

The following table sets forth information with respect to the beneficial ownership of our Class A common stock and Class B common stock as of May 18, 2023, for:

Forward-Looking Statements

This proxy statement contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. All statements contained in this proxy statement that do not relate to matters of historical fact should be considered forward-looking statements. These statements include, but are not limited to, statements regarding our strategy and the environmental impact of our business and business objectives. Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted or quantified. In some cases, you can identify forward-looking statements because they contain words such as “aim,” “anticipate,” “believe,” “contemplate,” “continue,” “could,” “estimate,” “expect,” “intend,” “may,” “plan,” “potential,” “predict,” “project,” “should,” “target,” “toward,” “will,” or “would,” or the negative of these words or other similar terms or expressions. You should not put undue reliance on any forward-looking statements.

Forward-looking statements should not be read as a guarantee of future performance or results and will not necessarily be accurate indications of the times at, or by, which such performance or results will be achieved, if at all. Forward-looking statements are based on information available at the time those statements are made and were based on current expectations, estimates, forecasts, and projections as well as the beliefs and assumptions of management as of that time with respect to future events. These statements are subject to risks and uncertainties, many of which involve factors or circumstances that are beyond our control, that could cause actual performance or results to differ materially from those expressed in or suggested by the forward-looking statements. In light of these risks and uncertainties, the forward-looking events and circumstances discussed in this proxy statement may not occur and actual results could differ materially from those anticipated or implied in the forward-looking statements. These risks and uncertainties include our ability to manage our growth effectively; the highly competitive and rapidly changing nature of the global fashion industry; our ability to cost-effectively grow our customer base; any failure to retain customers; risks related to the COVID-19 pandemic and other future pandemics or public health crises; risks related to shipping, logistics and our supply chain; our ability to accurately forecast customer demand, manage our offerings effectively and plan for future expenses; risks arising from the restructuring of our operations; our reliance on the effective operation of proprietary technology systems and software as well as those of third-party vendors and service providers; our ability to remediate our material weaknesses in our internal control over financial reporting; laws and regulations applicable to our business; failure by us to adequately obtain, maintain, protect and enforce our intellectual property and proprietary rights; compliance with data privacy, data security, data protection and consumer protection laws and industry standards; risks associated with our brand and manufacturing partners; our reliance on third parties for elements of the payment processing infrastructure underlying our business; our dependence on online sources to attract consumers and promote our business which may be affected by third-party interference or cause our customer acquisition costs to rise; failure by us, our brand partners, or third party manufacturers to comply with our vendor code of conduct or other laws; and risks related to our Class A capital stock and ownership structure.

Additional information regarding these and other risks and uncertainties that could cause actual results to differ materially from the Company's expectations is included in our Annual Report on Form 10-K for the year ended January 31, 2023, as may be updated from time to time in our filings with the Securities and Exchange Commission. Except as required by law, we do not undertake any obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future developments, or otherwise.

Annex A

This proxy statement contains the non-GAAP financial measures, Adjusted EBITDA, and Adjusted EBITDA margin. In addition to our results determined in accordance with GAAP, we believe that Adjusted EBITDA and Adjusted EBITDA margin are useful in evaluating our performance. Adjusted EBITDA is a key performance measure used by management to assess our operating performance and the operating leverage of our business prior to capital expenditures. These non-GAAP financial metrics are not meant to be considered as an indicator of our financial performance in isolation from or as a substitute for our financial information prepared in accordance with GAAP and should be read only in conjunction with financial information presented on a GAAP basis. There are limitations to the use of the non-GAAP financial metrics presented in this proxy statement. For example, our non-GAAP financial metrics may not be comparable to similarly titled measures of other companies. Other companies, including companies in our industry, may calculate non-GAAP financial metrics differently than we do, limiting the usefulness of those measures for comparative purposes.

We define Adjusted EBITDA as net loss, adjusted to exclude interest expense, rental product depreciation, other depreciation and amortization, share-based compensation expense, write-off of liquidated rental product assets, certain non-recurring or one-time costs (see below footnotes to reconciliation table), restructuring charges, loss on asset impairment related to restructuring, income taxes, warrant liability revaluation gains / losses, debt extinguishment gains / losses, other income and expense, and other gains / losses. Adjusted EBITDA margin is defined as Adjusted EBITDA calculated as a percentage of total revenue.

The reconciliation of the non-GAAP financial metrics to the most directly comparable GAAP financial measure is presented below. We encourage reviewing the reconciliation in conjunction with the presentation of the non-GAAP financial metrics for each of the periods presented. In future periods, we may exclude similar items, may incur income and expenses similar to these excluded items, and may include other expenses, costs, and non-recurring items.

The following table presents a reconciliation of net loss, the most comparable GAAP financial measure, to Adjusted EBITDA for the periods presented.
