**As of October 28, 2025**

**I. Purpose**

The purpose of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Rent the Runway, Inc. (the “Company”) is to oversee the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company.

The Committee’s responsibilities are limited to oversight. The Company’s management is responsible for establishing and maintaining accounting policies and procedures in accordance with generally accepted accounting principles (“GAAP”) and other applicable reporting and disclosure standards and for preparing the Company’s financial statements. The Company’s independent auditors are responsible for auditing and reviewing those financial statements. The Committee does not prepare or certify the Company’s financial statements or guarantee the audits or reports of the independent auditors, nor does it certify the “independence” of the independent auditors or assure compliance with applicable laws and regulations or the Company’s internal policies, procedures, or controls.

**II. Composition**

The Committee must consist of at least three directors, subject to any available exception, with the exact number to be determined by the Board. Each Committee member must satisfy the independence requirements of The Nasdaq Stock Market LLC (“Nasdaq”) and the more rigorous independence rules for members of the Audit Committee issued by the Securities and Exchange Commission (the “SEC”), subject in each case to any applicable exception. Each Committee member must be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement and cash flow statement. In addition, at least one member of the Committee must be a financial expert as defined under SEC rules.

Committee members may be removed from the Committee, with or without cause, by the Board. Unless a Chair of the Committee is designated by the Board, the Committee may designate a Chair of the Committee by majority vote of the full Committee membership.

**III. Meetings, Procedures and Authority**

**A. Meetings and Procedures**

The Committee shall meet at least once during each fiscal quarter at such times and places as the Committee determines. The Chair of the Committee shall preside at each meeting and work with management to set each meeting agenda.

The Committee shall meet periodically with members of management, with personnel responsible for the internal audit function (if any), and with the independent auditor in separate executive sessions, as deemed appropriate.

The Committee has the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of the Company's bylaws that are applicable to the Committee.

## **B. Authority**

The Committee may retain any independent counsel, experts or advisors that the Committee believes to be necessary or appropriate. The Company must provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of preparing or issuing an audit report or performing other audit, review or attest services, for payment of compensation to any advisors employed by the Committee and for payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

In addition to the duties and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities consistent with this Charter, the purposes of the Committee, the Company's bylaws and applicable Nasdaq and SEC rules, or as otherwise delegated by the Board.
